

FLATBED AND VAN

Tuckunder Series

The Tommy Gate Tuckunder Series offers large platforms and high lifting capacities while also providing the convenience of folding and storing underneath the vehicle bed. Available with both treadplate steel and extruded aluminum platforms, these lifts are the most popular style of liftgates on the market.

TUCKUNDER
SERIES

Capacity: 2500 & 3000 lbs.

TKT models address all the concerns a liftgate operator faces. With self-leveling and power down functions, the lift is easy and reliable. The large platforms it supports easily accommodate palletsized loads. And, the wide-arm, dual cylinder design assures sturdy and consistent lifting action.
